Hands on Workshop on Tips and Tricks in Microsoft word and Powerpoint and
Scientific literature search

27 August 2016

Resource person: Mr Yogesh Kumar, Education Media Generalist, CMET AIIMS New Delhi

A hands on workshop on Tips and Tricks in Microsoft word and Powerpoint and Scientific literature search was organized by CMET. It was well attended by 28 faculty and residents of AIIMS Bhopal.

The full day workshop had four hands on sessions:

1. Microsoft Powerpoint : How to utilize for improving presentations
2. Microsoft word: Special tips and tricks
3. Scientific literature search: How to use Pubmed
4. Zotaro: A free literature search software

Novel ways of best utilizing the above programmes and software were demonstrated. The session on scientific literature search was very fruitful as many faculty and residents were interested to enhance their skill for literatutre search and management.
