Invitation

It is my great pleasure to invite you to the 7th National Conference of the Society of Clinical Anatomists, being hosted by All India Institute of Medical Sciences Bhopal, on 3rd and 4th February 2018. AIIMS Bhopal is an institute of National importance and imparts not only undergraduate but also post graduate medical education. We have a huge 155 acre campus with well-equipped laboratories, lecture halls and auditorium.

Bhopal is also known as the Lakes city for its different natural as well as artificial lakes, and it is one of the greenest cities in India. The upper and the lower lakes are the magnificence of city of Bhopal that offers panoramic view of the charming old city. The city offers a mix of religious, cultural as well as historic places to visit like Bhojpur, Taj-ul-Masjid, Manav Sangrahalya. World heritage sites namely stupas of Sanchi and caves of Bhimbetka are within close reach of Bhopal.

Bhopal is well connected to all parts of the country by road, rail and air. This conference will focus on Molecular Anatomy and Technology in Anatomy. We look forward to hosting you all in Bhopal, and we hope the academic feast, scenic beauty of Bhopal, gourmet nawabi cuisine, the world heritage sites will not fail to enthral you.

We look forward to hosting you all in the lake city of Bhopal, and we hope the academic feast, scenic beauty of Bhopal, gourmet nawabi cuisine, the world heritage sites of Sanchi and Bhimbetka will not fail to enthrall you.

About SOCA

The art and science of Anatomy forms the basis of Medical Curriculum. The subject has expanded beyond the walls of the Dissection theatre. The Society of Clinical Anatomists [SOCA] is dedicated to the furthering of knowledge in the field of Clinical Based Anatomy. The members of SOCA aim to bridge the gap between the anatomists and the clinicians and to explore new dimensions in Clinical Anatomy. The Society strives to promote professional development and to foster exchange of ideas among clinical anatomists and clinicians belonging to all fields of medicine.

About AIIMS Bhopal

AIIMS Bhopal is one of the seven AIIMS apex healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). With the aim of correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self-sufficiency in graduate and postgraduate medical education and training the PMSSY planned to set up 6 new AIIMS institutions in under served areas of the country.

These institutions are being established by an Act of Parliament on the lines of the original All India Institute of Medical Sciences in New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with nursing and paramedical training to bring together in one place educational facilities of the highest order for the training of personnel in all branches of health care activity.
