Introduction

Dear colleagues,

Greetings. The first National Autopsy Quiz Forense held in 2015 was a major success with immense participation from all over the country. All India Institute of Medical Sciences, Bhopal, Madhya Pradesh is now organizing the 2nd Quiz in series.

The quiz will include the undergraduate level syllabus of Forensic Medicine & Toxicology.

The undergraduates from several medical colleges all over India are expected to participate. The weather is usually pleasant around this time and optimal participation expected at this time of the year in accordance with academic calendars of most Institutes.

It would facilitate the organizers to have the names of the participants and number of teams participating in the event by Aug 16, 2016, please find the necessary contact details on the last page of the brochure.

Looking forward for the participation of team from your college/ institute for a most competitive quiz on this time
