REPORT OF SWACCHATA PAKHWARA ON 03.04.2019

Activity: Preparation of List of old Records, files, unusable and unserviceable items, equipments and furniture's for optimization of office space.

All the departments in their Wards, OPD and Offices prepared a list of old records, files & register etc. placed at proper place. Unusable and unserviceable items have also been identified listed out for optimizing office space. Ward records and reports were properly arranged beautifully. Following are some clicks of the day.

Records arranged beautifully at Medicine Ward

Records arranged systematically & beautifully in Pediatric Ward

Unused plastic canes of Bicarbonate (10 liter) for the process of discarding at Dialysis Unit.

Rearranging Store cupboard at ICU
