REPORT OF SWACCHATA PAKHWARA ON 04.04.2019

Activity: Sensitization drive by Doctors, Nurses and Medical staff to patients and General public. Hand Washing Teaching and Demonstration.

Fourth day of the Pakhwara was totally dedicated to General Public. A sensitization drive was carried out by Doctors and Nursing officers to demonstrate hand hygiene to general public.

First training session was carried out at OPD Registration Round Counter. Dr. Parmeshwar Satpathy, Senior Resident, Dept. of CFM briefed about the importance of Hand Hygiene and Infection control. Senior Nursing Officer, Mrs. Khushboo Patel demonstrated the steps of Hand Washing to General Public who were all in turn. Team organized public wash hand training with hand sanitizer following all the hand washing steps. Finally people applauded for such type of helpful and interactive training session. Simultaneously, almost all Wards employees carried out activities for inpatients and attendants. Hand hygiene motivating posters and slogan were also displayed at various places of hospital.
