During pre-bid meeting various interested participating bidders companies raised their queries and asked for clarification regarding the same.
1. M/s Vishal Surgical Equipment Co. Pvt. Ltd., Mumbai
   1) Query regarding Item No. 138-
      i) Aldehyde free Medical Device Sterilant, packing size is mentioned as 500 gm we request you to kindly amend it to 810 gms and the standard should be EPA-USA approved. Review standard to check quality.
      ii) The above item is also available in Powder and Liquid form, hence for Liquid form the provision for quoting rate needs to be given.

2) Request for permission to allow importers to quote in consumables tender.

2. M/s Bio-Shield
   1) We have some queries regarding product no. 127 & 139. Page no.20/21 of the Tender Document. You have asked for free wall mount & bed side stands with each bottle in every order which is not feasible rather it should be as per requirement OR separate item code for stands must be tendered.
   2) Item no.137 & 138 Aldehyde free disinfectant/Sterilant (EPA- USA Approved for medical use). Reconstitutable powdered form. Based on Triple salt of Potassium mono per sulphate, bis (sulphate), Sodium Polyphosphate, Sodium alkylbenzenesulfonate etc in Powder Form. With easily reconstitutable and rapid action for bactericidal, virucidal and fungicidal action. 500 Gm. These items should be demanded as Aldehyde Free disinfectant/Sterilant because the above specifications are proprietary although there are many molecules (Companies) available in liquid formulations which are EPA & ISO and CE certified. Henceforth you are requested to make schedule amendments which will be helpful to your esteemed institution as per Quality and CDC norms.
