7. Visible expectant mother anatomy model
   Following are the Main Features of 56cm (22") Visible Expectant Mother Anatomy Kit:-
   * Complete Skin, Skeleton and Vital Organs
   * Learn the different part of the Human Body
   * Easy Assembly

(D) M.C.H. Lab Items

1. Labour delivery model
   Should have hemi pelvis of adult female with anatomical landmarks like pelvic cavity, spine etc. Should have manual mechanical birthing system to enable the user to control the rotation and speed of fetus delivery etc.
   - Should have articulating foetal baby with adaptors to fit with manual birthing system
   - Should be versatile to change the position of the foetus during the process of birth including descend, flexion, extension, internal and external rotation, restitution.
   - Should have features for training normal and breech deliveries
   - Should have Inflatable cushions to lift fetus for Leopold maneuver during pregnancy
   - Shall have adaptive birth canal to demonstrate dystocia and deal with its relief
   - Should have features to demonstrate cord Prolapsed
   - Should have three separate modules for episiotomy
   - Should have one model featuring medial episiotomy with tears in labia-minora
   - Should have one model featuring mediolateral episiotomy with peri-urethral tears
   - Should have one model featuring standard episiotomy
   - Should have features to attach with child birth simulator
   - Additional accessories:
     - 3 nos. of medial episiotomy model with tears in labia-minora
     - 3 nos. of mediolateral episiotomy model with peri-urethral tears
     - 3 nos. of mediolateral episiotomy model

This model should allow training in differentiation of four typical breast lumps including a cancer with dimple sign. Palpable clavicle and ribs are also embedded under the soft breast tissue. Effective both for professionals and for breast-self-examination education and the model should show following conditions |

A: Cancer with dimple sign |
B: Cancer with depression in the skin |
C: Fibroadenoma |
D: Mastopathy |
4. Buttock injection model

It should have the following Features:

- Realistic model for practice of intramuscular injection.
- Trainees can feel and confirm the skeleton as required for measurement.
- Injection site corresponding to Clark’s point measurement method.
- Facilitate to perform syringe infusion.
- Similar texture of the muscle and skeleton as of a human body and should help in selecting the correct region and angle for injection.
- Injected solution should be drained out by the drainage tube.
- The sensation of needle insertion should be very realistic.
- Supplied with stand for giving lateral injection in supine position
- Replaceable skin and vein system ensure longevity of model
- Will articulate to other adult manikins

It should include the following standard accessories:

- Manikin Lubricant
- Stand
- Carrying case
- Spare injection sites (left and right) 2 each
- Drainage tube 2 pcs
- Skin 1 pc

5. I.V. Injection pad

Life-like vein palpation and realistic needle tip feeling.

Three veins for practice: Basilic, Median antebrachial and Cephalic veins.

Injection pads should be easily replaceable.

No needle marks should remain on the surface.

**Set should also include:**

- 1 arm model with supporter stand
- 1 injection pad for arm model
- 1 syringe
- 1 jar of coloring powder (red)
- 1 spoon
- 1 injection bottle

DRAFT RATE CONTRACT AGREEMENT
(On Rs.100/- Non Judicial Stamp Paper)

CONTRACT AGREEMENT No.: AIIMS BHOPAL/NURSING COLLEGE/SKILL LAB ITEMS/01 Dtd: ..............
Tender No. 94.1 AIIMS Bhopal/Stores/Nursing College/Skill Labs Items/2016-17/01 Dated 29.06.2016

This agreement is made at Bhopal on the _______ day of _______ Two Thousand Fourteen between Director, AIIMS Bhopal acting through All India Institute of Medical Sciences (AIIMS) Bhopal, Saket Nagar, Bhopal-462024 (MP) (hereinafter called ‘Client’ which expression shall, unless repugnant to the context or meaning thereof be deemed to mean and include its successors, legal representatives and assigns) of the First Part.

Second Part

M/s .......................................................... having its Registered Office at ................................................................. (hereinafter called the ‘Agency’ which expression unless repugnant to the context shall mean and include its successors-in-interest assigns etc.) of the Second Part.

WHEREAS the ‘Client’ is desirous to engage the ‘Agency’ for Supply of approved items as per NOA to AIIMS Bhopal as per the terms and conditions stated below:-

1. The selected Agency would be required to Supply items as per the Purchase Order on regular basis during the currency period of this Rate Contract to All India Institute of Medical Sciences (AIIMS) Bhopal, Saket Nagar, Bhopal-462024 (MP). No separate charges for any Taxes/Delivery/Installation of goods would be paid by this Office.

2. Purchase Order for Nursing College Skill Lab items shall be placed on actual requirement basis during the concurrency of rate contract period [Rate Contract shall be concluded as per the format given at Annexure-V(c)], and Agency is liable to deposit @10% Amount of Purchase Order Value (for the period of 36 months) on each occasion as Performance Security in the Form of Demand Draft/Banker’s Cheque/FDR in favour of “Director, AIIMS Bhopal”, Payable at AIIMS Bhopal, No interest shall be paid on deposited amount in lieu of Performance Security by AIIMS Bhopal.

3. Bills in triplicate for the items supplied by the selected Agency should be raised for claiming their payment against Supply of the Nursing College Skill Lab Items to AIIMS Bhopal. Payment shall be released after deducting TDS as per Income Tax Rules and any other deductions as per Government rules and payment shall be released only after it is ensured that the items/quantity and quality of items supplied are to the entire satisfaction of this office. If any items are found
to be defective, or not of the desired quality etc., the same shall be replaced by the selected Agency immediately for which no extra payment shall be made.

4. If the selected Agency fails to deliver the Nursing College Skill Lab Items or replace the defected/spurious items within the stipulated date & time, a penalty/Liquidated Damage @0.5% per week of the total order value will be deducted from the Supplier's bill subject to maximum of 10% without prejudice to other terms & condition of the order.

5. The minimum period of onsite warranty for item supplied by the Agency to the AIIMS Bhopal is 3 years (i.e. 36 months from the date of inspection and acceptance of the Nursing College Skill Lab Items including all spare parts(if any applicable).

6. The Agency shall be bound by the details furnished by him/her to the AIIMS Bhopal while submitting the tender or at subsequent stage. Upon selection of the Agency, if at any stage, the documents furnished by him/her is found to be false or the quality of the articles or rates are found of poor quality/ different specifications, it would be deemed to be a breach of terms of contract, the contract shall be cancelled and performance security shall be stand forfeited.

7. The selected Agency shall not be allowed to transfer, assign, pledge or sub contract its rights and liabilities under this contract to any other agency/ies without prior written consent of the AIIMS Bhopal. If it is found that the firm has given sub-contract for supply of Nursing College Skill Lab items on the basis of procurement/supply order, the contract shall stand cancelled & the performance security shall stand forfeited.

8. AIIMS Bhopal shall not be responsible for any financial loss or other damaged or injury to any item or person deployed/supplied by the successful bidder in the course of their performing the duties to this office in connection with purchase order/supply order for Nursing College Skill Lab items.

9. The Competent Authority of AIIMS Bhopal reserves the right to relax/withdraw any of the terms and conditions mentioned in the tender documents, if doing so is in the interest of the AIIMS Bhopal.

10. The contract shall be for a period of one year from the date of award of contract (i.e. Notification of Award communicated to the “Agency” vide Letter No. ............................................................ Dated ..................... for Supply of Nursing College Skill Lab Items to AIIMS Bhopal under Annual Rate Contract basis) or as indicated in the letter communicating award of contract to the selected firm(s). The contract may be extendable year to year, subject to maximum period of 1 year, on the same terms and conditions or with some addition/deletion/modification mutually agreed upon by the successful Nursing College Skill Lab Item Supplier Agency and the All India Institute of Medical Sciences (AIIMS) Bhopal.
11. The AIIMS Bhopal reserves the right to place an order for supply of any items mentioned in the Financial Bid (Annexure -VI) or otherwise, to any other firm(s) in emergency/unavoidable situation i.e. auxiliary/ancillary/incidental to “Dictionary meaning” of Nursing College Skill Lab Items.

The Notice for Tender No. 94.1 AIIMS Bhopal/Stores/Nursing College/Skill Labs Items/2016-17/01 Dated 29.06.2016 and Documents, Corrigendum/Amendment issued with reference to this Tender Notice shall be become an integral part of this Contract Agreement.

THIS AGREEMENT will take effect from _______ Day of __________ Two Thousand Fourteen and shall be valid for One Year.
