DERMATOPATHOLOGY WORKSHOP- NEW INSIGHTS

On SUNDAY- 15th MARCH, 2020

Organized By-

Department of Dermatology, Venereology & Leprosy, and

Department of Pathology,

All India Institute of Medical Sciences, Saket Nagar, Bhopal.

OBJECTIVES

Dear colleagues,

With warm greetings, we welcome you all to the “Dermatopathology Workshop – New Insights”, which will be conducted on 15th March, 2020 by The Department of Dermatology, Venereology & Leprosy and The Department of Pathology, AIIMS Bhopal. Dermatopathology is gold standard to diagnose various dermatoses. Keen knowledge about the histopathological features of various granulomatous diseases and cutaneous tumours will boost our diagnostic ability, which will surely be useful to enhance one’s skill for better patient management.
