Mission

Dear Participants,

The organizing committee warmly invites you for a 3 day hands-on workshop in Molecular Mycology at AIIMS Bhopal, in the department of Microbiology.

The specific objectives of this workshop is to equip the participants with the knowledge of available molecular approaches for fungal disease diagnosis / identifying fungal prevalent or novel species and to provide necessary skill in performing molecular techniques facilitating the diagnosis of rare fungal isolates and all forms of fungal diseases.

This workshop aims to train clinical microbiologists, microbiology residents, PhD scholars and technicians having inclination for Mycology; especially from Madhya Pradesh.

Welcome you for the 3 days hands on training.
