Circular

In continuation of this Department circular of even no. 2019-20/613 dated 11.03.2020 (Copy enclosed for ready reference), the following instructions are issued on behalf of the Competent Authority.

In one of the E-tender files, while approving the proposal for scrapping the unsuccessful tender, the Director Sir has expressed serious concerns about very poor responses of our tenders floated through the various websites. Given the situation, the Director Sir has ordered that in future the tenders must be got published at least in 2 English national dailies (ET/FT) and one Hindi News paper, for wide publicity and sufficient participation.

All concerned are therefore requested to comply with these orders meticulously while submitting future proposals for procurement through e-tendering process. The Director Sir has further desired that *“an undertaking to the effect that the e-tender submitted for approval will be got published in the print media (as ordered above) must recorded in the relevant proposal itself”* or else the proposal will not be approved by the Competent Authority.

The stores department will ensure that the advertisements are actually published in the print media so as to enable the prospective bidders to timely visit our websites for participations.

Dispatch No. 613
Date 11/03/2020

Central Stores/AIIMS/BPL/CIRCULARS/2019-20/ 613

Dated: 11/03/2020.

CIRCULAR

Of late, it has been noticed that the e-tenders floated by this Institute do not fetch sufficient number of bids and resultantly we generally need to extend the submission dates of the bids repeatedly and sometimes even re-tendering process needs to be resorted to. This hampers the procurement process. Keeping this in view, the Competent Authority has decided that the brief particulars of the e-tenders to be floated henceforth will also be got published/advertised in Hindi and English news papers (one each) and in Business Daily News so that vide publicity of our tenders is ensured and sufficient participation therein as well. This print media publication will be done in a joint manner clubbing nearly four/five e-tenders details of the tenders on the same subject e.g. Central Stores/Pharmacy Stores/Engineering work and Administration etc. In addition to the above, publication on CPPP portal, Tender Wizard and AIIMS Bhopal website will continue to be done as usual.

This is for information and necessary action of all concerned/ HODs and other Officers. They all are requested to follow the provisions of this procedure now onwards.
