Press Note

1. Out Patient Department (OPD) services at AIIMS, Bhopal: Advisory & modifications in view of the present COVID-19 situation:

In view of the increasing number of COVID-19 cases, the administration of AIIMS, Bhopal is hereby issuing the following advisory, and will be implementing the following modifications in delivering effective OPD services with safety and social distancing norms,

1. General public is requested to please avoid all unnecessary visits to hospitals.
2. OPD services continue to remain restricted until further order due to COVID19 situation.
3. Initiation of the Online registration facility from 15th September for general public.
4. For consultation in Super Speciality departments, the patients can seek appointment with the doctors through the Online Registration System (ORS). Upon confirmation of appointment, the patient may receive consultation at the concerned department.
5. Tele-Consultation (e-OPD) services also available at AIIMS Bhopal and appointment can be taken through ORS. The link can be availed through ors.gov.in and also the link detail available on the website of AIIMS Bhopal.

2. Augmentation of Nursing Manpower-:

AIIMS, Bhopal has initiated the recruitment process for recruitment of Nursing officer through AIIMS New Delhi. The augmentation of Nursing manpower was essentially required and administration has advertised for 600 Nursing officer posts. In the process, the result of 579 candidates was declared and 489 candidates reported for document

verification before the document verification committee (DVC). AIIMS, Bhopal has issued offer of appointment to 360 candidates and till this date 272 Nursing officers have reported for joining.

Professor Sarman Singh, Director, AIIMS, Bhopal welcomed candidates to the institute, and expressed that augmentation in the number of Nursing officers will help in more effective delivery of patient care services at the institute, especially during the challenging times of COVID-19 pandemic.
