Saket Nagar, Bhopal (M.P.) – 462020

(Public Relation Cell)

Press Note (04th June 2020)

- 1. Inauguration and dedication of various facilities at AIIMS, Bhopal by Director, Professor Sarman Singh on 4th June 2020**
 - A.** The Automated Nucleic Acid Extraction (NAT) & sample preparation facility was inaugurated today morning by Professor Sarman Singh, Director, AIIMS, Bhopal. Dedicating the facility to the service of common people, the Director observed that such a facility at AIIMS, Bhopal will not just greatly enhance the sample processing capacity, and reduce the sample testing time, but will also improve environmental safety. This is especially beneficial during the COVID-19 pandemic as this will increase the testing capacity for COVID-19, reduce the testing time, and also reduce the manual workload on the staff with better safety. This state-of-the-art automated facility will replace the manual processes involved in sample processing, and will ensure a more consistent protocol application.
 - B.** A Skill Laboratory was also inaugurated today at AIIMS, Bhopal by the Director. This integrated multi-disciplinary skill laboratory was conceptualized and funded under the National Emergency Life Support (NELS) program of the Ministry of Health and Family Welfare in 2015-16. The Government of Madhya Pradesh also provided training funds for this unique facility. This Skill Lab had been established with the aim of providing training in essential life saving skills to all cadres of health care workers including students. The various modules of training include Basic Life Support, Advanced Life Support, Airway management, Circulatory management, Basic and Advanced trauma support etc. The skills lab allows hands-on training of health care workers for these essential life saving skills in a safe environment on well designed and programmed manikins and models. This modern Skill lab facility at AIIMS, Bhopal has five skill stations

equipped with a two-way video and audio communication, and capacity for live demonstration for a wider audience.

- C. Professor Sarman Singh also performed the 'Bhoomi Poojan' ceremony for construction of new administrative block of AIIMS, Bhopal. This multistory building will have modern infrastructure and facilities. The work is expected to be completed in the next 14 months, and with an estimated cost of about 65 Crores. This building will accommodate Administrative offices, engineering division, stores, finance division, telemedicine, examination section, etc. along with other allied services and facilities.
