Press Note (16th May 2020)

1. Rebuttal of media news of admitted Covid-19 patient not attended adequately

It's reported in a section of media that allegedly one patient admitted in Covid-19 ward was not attended adequately for the medical care.

The individual patient was admitted on 14th May as Covid-19 patient, the required investigations were conducted and treatment initiated under supervision of the doctors. His condition is medically stable but patient found to be anxious and required care was extended to the patient including special counseling by treating doctors and patient support group.

Since the start of Covid-19 crisis, AIIMS administration has initiated a patient support group of faculty and psychological counselors to assist the patients during the hospital isolation for holistic care of the patients. The treating doctors and members from patient support group are constantly interacting and supporting the patient.

AIIMS administration reiterates that all patients admitted in AIIMS Bhopal are receiving treatment as per the Covid-19 treatment protocol. The administration has reviewed the concerns of the patient and initiated the mechanism to prevent such grievances and complaints.
