(Public Relation Cell)

Press Note (27th April 2020)

1. Rebuttal of media report about discrepancies in lab reports

AIIMS Bhopal administration here by issuing clarification in response to the news published in certain section of media about wrong entry of a patient demographic detail citing a reference of one COVID-19 sample. All the samples collected outside AIIMS Bhopal are received along with pre-filled form with patient details (name, age, phone number etc) and processed at AIIMS lab. AIIMS Bhopal has no role in collecting the sample or filling these details.

Since no patient identifier has been given, it is difficult to identify if the error was at the level of the person filling the requisition form where AIIMS Bhopal has no control or at the level of the data entry operator at AIIMS Bhopal.

AIIMS administration regret for such discrepancy if such has happened, however, the necessary mechanism has been initiated to strengthen the sample registration process so that any possible transcribing error can be avoided at AIIMS Bhopal end.
