7	C. General Point: Considering government is implementing GST from 1st July 2017. Request you to kindly consider on the Price before Taxes. Applicable Taxes should be considered extra on actual at the time billing.	In Annexure-V separate column is there for VAT/Tax. This itself indicate that the applicable tax is extra. On coming in force of "GST" the existing tax will get automatically replaced by the GST as may be applicable.
8	D. Request you to kindly clarify the above points asap and also request you to kindly extend it for a week so that we are able to participate with a competitive Bid.	Date extension is regretted.
